My Dear — You have been much in mind & heart lately. Did you have a good rest? We are in our new home. It is all so nice & if only our Baby Boy were here it would be quite ideal. But it is sacred for whenever we came to the lot it was always "we go to Lelands house" the other wife & papa house. Of course there was nothing of the kind here. Synod meets here this week. Our Woman's Meetings are in this church. We love you. Ella Piper Cully
